It is important that **you** follow the steps shown to use the service, otherwise **your** claim will not be covered. Please keep this document in a safe place.

Cornhill Direct Home Emergency Assistance is operative if **your** schedule shows that **you** have this cover.

How your policy works

Your policy and policy schedule is a contract between **you** and **us**. **We** will pay for any claim **you** make which is covered by this policy and happens during the **period of insurance**.

Unless specifically mentioned the benefits and exclusions within each section, apply to the insured **home**. **Your** policy does not cover all possible events and expenses.

Certain words have a special meaning as shown under the heading 'Meaning of words'. These words have been highlighted by the use of bold print throughout the policy document.

Telling us about relevant facts

You must tell **us** about anything that may affect **your** cover. If **you** are not sure whether something is relevant, **you** must tell **us** anyway. **You** should keep a record of any extra information **you** give **us**. If **you** do not tell **us** about something that may be relevant, **your** cover may be refused and **we** may not cover any related claims.

Cancellation rights

If **your** cover does not meet **your** requirements, please notify us within 14 days of receiving **your** initial policy schedule and return all **your** documents for a refund of **your** premium.

You can contact us at:

If during this 14 day period **you** have asked **us** to perform or provide the services given under this policy then Cornhill Direct is entitled to recover all costs that **you** have used for the service provided, if **you** still decide to cancel within the 14-day period.

Please note that **your** cancellation rights are no longer valid after this initial 14 day period.

Data protection

Information about **your** policy may be shared between Cornhill Direct, Mondial Assistance (UK) Limited and Mondial Assistance Europe N.V. for underwriting purposes.

You should understand that the information **you** provide will be used by **us, our** representatives, the **insurer**, other insurers and industry governing bodies and regulators to process **your** insurance, handle claims and prevent fraud. This may involve transferring information to other countries (some of which may have limited or no data protection laws). **We** have taken steps to ensure **your** information is held securely.

Your information will not be shared with third parties for marketing purposes. **You** have the right to access **your** personal records.

Financial Services Compensation Scheme (FSCS)

For **your** added protection, the **insurer** is covered by the FSCS. **You** may be entitled to compensation from the scheme if the **insurer** cannot meet its obligations. This depends on the type of business and the circumstances of the claim.

Insurance cover for policies purchased on or before the 31st December 2009 is limited up to 100% of the first £2,000 and 90% of the remainder of the claim, without any upper limit. Policies purchased after this date will be covered for 90% of the claim, with no upper limit.

Further information about the compensation scheme arrangements is available from the FSCS, telephone number 020 7892 7300, or by visiting their website at www.fscs.org.uk.

Governing law

Unless agreed otherwise, English law will apply and all communications and documentation in relation to this policy will be in English.

In the event of a dispute concerning this policy the English Courts shall have exclusive jurisdiction.

The parties do not intend any term of the agreement to be enforceable by any third party pursuant to the Contract (Rights of Third Parties) Act 1999.

General conditions

We will act in good faith in all **our** dealings with **you**.

We will only pay the benefit under this section if **you** contact **us** first.

1 **We** will make reasonable attempts to find a suitable **contractor**, as long as the service is not affected by:

- poor weather conditions;
- industrial disputes (official or not);
- failure of the public transport system (including the road network); and
- other circumstances that prevent access to **your home** or otherwise make it impractical to offer the service.

2 **We** will be entitled to:

- refuse to help if, in **our** opinion, **your home** or services have not been maintained in a safe or serviceable condition;
- decide on the most appropriate way of providing help, although **we** will take account of **your** wishes whenever possible;
- settle **our** part of the claim if **you** have any other insurance covering the same loss or damage; and
- cancel this insurance if **you** give **us** false information or do not give **us** the information **we** need (in such cases **we** will repay any premium that is due to **you**).

3 **You** will be responsible for **contractor's** call-out charges if:

- having asked for help, **you** are not at **home** when the **contractor** arrives; or
- if it is for replacement of boilers, heaters or radiators (boilers which are over 12 years old or where the work relates to maintenance or a fault in the heating system).

4 If **you** need more than the cover provided by Cornhill Direct Home Emergency Assistance, **we** will still offer **you** help up to the section limits shown under the heading "Emergency benefits", but **you** will have to pay excess costs direct to the **contractor** when they provide the service.

5 **We** will arrange to supply and fit replacement parts when they are needed and if they are covered under the section. If **you** ask that better parts are fitted, **you** will have to pay the extra cost. **We** are not responsible for any inconvenience, loss or damage caused by a delay in the manufacturers, or their suppliers or agents, supplying spare parts.

6 The laws of England and Wales will apply to this insurance, unless **you** and **we** have agreed otherwise.
